The following standard conditions shall apply to the Road Occupancy Permit upon issuance by the Township:

- The Applicant shall speak with the Public Works Director 48 hours prior to construction and/or permanent restoration.
- The Township may at any time revoke and annul this Road Occupancy Permit for non-performance of or non-compliance with any of the conditions, restrictions, and regulations hereof.
- Any work performed on a Township road over, under or within, the limits of a limited access state highway, requires a state permit.
- Where the Applicant fails to comply with the condition as to completion of work by the time specified, the following rules will govern:
 - Failure to start work by date specified for completion. The Road Occupancy Permit will be cancelled unless the Applicant desires an extension of time, in which case the Township will be notified and a supplemental Road Occupancy Permit may be issued.
 - Work started and not completed by specified date. The Applicant will notify the Township, prior to the expiration of the allotted time, of his/her inability to complete the work on or before the date specified and request an extension of time. Such request shall be accompanied by the prescribed fee.
 - The Applicant not desirous of carrying out proposed work on account of change in conditions affecting it. The Applicant will notify the Township, prior to the date specified for completion, that the work will not be carried forward and returning the Road Occupancy Permit with such notice. The fee for inspection of the work will be refunded by the Township, provided that they have been notified of cancellation prior to the expiration date.
