**The Devon Regional Rail Station is an important community asset.** The Delaware Valley Regional Planning Commission (DVRPC) is currently working with Easttown Township, SEPTA, and Chester County to identify strategies designed **to make walking and biking to the station and throughout the surrounding station area easier, safer, and more convenient.**

You can come to the open house anytime between 5 PM and 7 PM to:

- Learn more about the study,
- Share your experience about traveling through the station area, and
- Provide feedback on preliminary pedestrian and bicycle transportation strategies and concepts.
