

Compost 101 Workshop

presented by Mother Compost

What is composting?

What are the benefits?

Home vs. Curbside
Composting?

Why is it important?

How do you compost?

Come learn the answer to those questions & much more...

Approx. 20-30% of our waste could be composted; composting is a crucial first step in reducing waste & recycling the nutrients from our food scraps.

Tuesday, June 29th from 7:00pm – 8:00pm

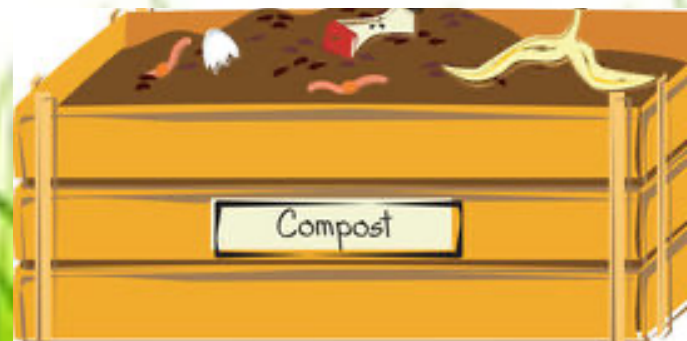

LOCATION (in-person):

Upper Main Line YMCA (Carriage House)
1416 Berwyn Paoli Rd
Berwyn, Pa 19312

QUESTIONS?
